are submitted by the manufacturer to the initial type-testing of the product, a factory production control and that the notified body No. 0338 - BTTG - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards

This certificate was first issued on 5 March 2012 and was amended on the 30 April 2012 to take into account the addition of a new product. This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

**Terms and Conditions associated with the issue of
EC Certificate of Factory Production Control No: 0338-CPD-0691**

1. This certificate is issued subject to BTTG's standard terms of business.
2. Any change to the product and/or technical specification shall be immediately notified to BTTG.
3. The Manufacturer / Authorised Representative shall have continuous surveillance of Factory Production Control carried out by a Notified Body and a re-assessment of Factory Production Control every three years.
4. This certificate remains the property of BTTG and will be withdrawn if any of the conditions attached to its issue are not complied with.
5. Marking and instructions have been assessed in the English language only. It is the Manufacturers/Authorised Representatives responsibility to obtain and supply language versions acceptable to the country where the product is to be sold.
6. This certificate remains valid only if satisfactory maintenance of independent certification against ISO 9001 is achieved.
